PATH TO SUSTAINABLE WELLBEING

With the help of the three sustainability pillars, Rituals aim to better our practices, and our planet every day.

Clean

Conscious

Caring

Trusted, high quality products that have been carefully formulated to be safe for skin and kind to our planet.

Making conscious, sustainable choices for packaging and business, every step of the way.

Supporting and developing programmes that contribute to soulful societies.

TINY RITUALS ©, MIGHTY MIRACLES

Fueled by the belief that small actions lead to big changes, Tiny Miracles aims to help 1M people get and stay out of poverty.

Since 2011 Rituals has been a proud supporter of Tiny Miracles, a pioneering foundation and for-purpose company (B Corp™ certified). Tiny Miracles has found a way to enable excluded communities to seize new opportunities and take the future into their own hands.

Together with Tiny Miracles, Rituals is empowering some of the most excluded communities in Mumbai to become self-supporting.

OUR PHILOSOPHY

Happiness can be found
in the smallest of things.

It is our passion to turn everyday
routines into more meaningful moments.

YOUR BODY. YOUR SOUL. YOUR RITUALS.
